## IN THE BEGINNING ...

Sawgrass Adventist School, previously known as Fort Lauderdale Adventist School in the early 1930's, was located on property owned by Frank Stranahan. His wife, Ivy Stranahan, was the first teacher and founder of Adventist Education in Broward County, Florida. In 1973, the Stranahan residence was named to the National Register of Historic Places and is currently the oldest residence in Broward County.

Mrs. Stranahan sponsored three Seminole Indian children to our school. This is a reminder that our school, established many years ago, shares its history with the establishment of Broward County.

Over the years the school changed its name and location several times. Beginning in 1932, in a building that had been a bakery on West Las Olas Boulevard at about 9th Avenue, the school was one room with Mrs. Solomburger as teacher. After a few years the school moved to SW 1st Avenue, just west of Andrews Avenue, presently the site of the Broward County Administrative offices. For approximately 70 years, our school has provided Christian education to the Adventist families of Broward County.

Our campus moved from Fort Lauderdale to Plantation, Florida, in 1977 when a new school facility was established at our current location. Our school still exists today with the help, financial support and leadership of many individuals who have shared the vision of helping young people obtain a Christian education and focus in life.

# ***PHILOSOPHY***

The Seventh-day Adventist philosophy of education is based on the following premises and beliefs:

- ✓ That God, our Creator and Sustainer, is the source of all true knowledge and wisdom
- ✓ That the image of God in which man was created has been marred by sin
- ✓ That Christian education, by encouraging faith in Jesus Christ, helps restore in mankind the image of his Master while preparing him for success in life's various endeavors

Christian education, within the context of Seventh-day Adventist beliefs, encompasses more than a curriculum or certain course of study. It involves more than preparation for daily living in the present world. It has to do, rather, with the whole being, and with the whole period of existence possible to man. Christian education, as defined by Seventh-day Adventists, is the harmonious development of the physical, mental, and spiritual powers in preparation for a life of service both to God and our fellow man. It provides an opportunity for the optimal development of young people in the Seventh-day Adventist denomination which operates a worldwide educational system. "Train up a child in the way he should go," wrote Solomon, "and when he is old he will not depart from it." (Proverbs 22:6).

It is the goal of Seventh-day Adventist education to provide an educational program that prepares students for success in day-to-day living while encouraging them to cherish the values, beliefs, and ideals taught by Jesus Christ.

It is the purpose of Sawgrass Adventist School to provide a program of activities that is Christ-centered, a curriculum that is comprehensive, and an environment that lends itself to physical, mental, social, and spiritual development. Sawgrass Adventist School purposes in the various aspects of its educational program to prepare its students for effective citizenship on this earth and for a rewarding citizenship in the earth made new.

## ***STATEMENT OF MISSION and CORE VALUES***

Sawgrass Adventist School is a K-8 Christian school family, dedicated to helping students develop the skills needed to reach their full potential spiritually, mentally, and physically while strengthening their God-given abilities that they may become responsible citizens and positive contributors to society.

Our Core Values include: academic excellence, prayer, understanding the Bible, integrity, respect and, servant hood.

Skates, skateboards, wheelies, scooters, or other recreational modes of transportation are not to be brought onto campus due to lack of insurance coverage for such activities.

## ***FINANCIAL INFORMATION***

Sawgrass Adventist School Board is obligated to meet on a current basis the operating expenses of the school. Since these costs are met largely through income from the student charges, it is impossible for the School Board to allow student indebtedness to accumulate.

At registration time, the parent or legal guardian of each student will be expected to sign a tuition contract with Sawgrass Adventist School. It is also expected that the terms of the contract will be promptly met for the duration of the contract. No student will be allowed to register if the parent has a balance due from previous years. Students with outstanding balances will not be allowed to take semester examinations until satisfactory arrangements are made. *Records will not be released until accounts are paid in full.*

The first payment will be due the first week of August, and then the first of every month, with the last installment due on the first of May.

Accounts more than 7 days overdue are considered delinquent. If arrangements are not made in advance the students will be withdrawn from school. Sawgrass Adventist School has a zero tolerance policy on delinquent accounts.

# ***FINANCIAL POLICIES***

Experience has shown the following financial policies to be necessary for the efficient operation of Sawgrass Adventist School:

- ✓ **Student accounts from the previous year must be settled before the student is permitted to enroll for another school year.** Since parents are generally the ones responsible for the student accounts, any delinquent accounts remaining from brothers or sisters must be settled before another child from the family will be admitted as a student.
- ✓ If a financial problem should arise, parent, guardian or other financially responsible party is to contact the Treasurer or Principal with a written proposal to the SAS Finance Committee to work out a plan of payment. At such time as a student(s) account becomes delinquent, a deadline for complete payment of the past due amount will be set in order for the student(s) to continue in school.

## ***FINANCIAL AID***

Limited help at times can be made available from local churches and private donors for worthy students needing financial assistance with the payment of tuition. Students requesting such aid should complete a Financial Aid Form to be submitted to the Sawgrass Adventist School Finance Committee and the local church board for action prior to entry into the school.

Financial aid may also be available through Step Up for Students FTC Scholarship, Family Empowerment Scholarship, and AAA Scholarship.

Records are kept of each student's work and continuation of monetary aid is contingent upon satisfactory school attendance, deportment, and educational advancement throughout the year.

## ***RELEASE OF TRANSCRIPTS***

In harmony with the policy established by the General Conference of Seventh-day Adventists and Sawgrass Adventist School Board, transcripts of credits or diplomas will not be issued until the student's account is paid-in-full.

## ***SCHOOL HOURS***

Classes start at 8:15 am each day and dismiss at 3:30 pm Monday - Thursday and 1:00 pm on Fridays. If students arrive before 8:15 am, they must report to the SAS gym. They will then be admitted into their respective classrooms at 8:15 am. Children arriving after 8:15 am will report directly to their respective classrooms.

See **SUPPLEMENTAL ADDENDUM** for additional information.

## ***SCHOOL/CLASS TRIPS***

Among the various trips sponsored by Sawgrass Adventist School each year are field trips, Outdoor Education, 8th class trip, etc. Standards of student conduct contained in the Handbook, or announced by the faculty, apply to all school sponsored trips. SAS reserves the right to suspend a student from any school sponsored trip due to student behavior deemed unacceptable by SAS Administration.

In order for students to participate in any overnight trips, they must maintain a passing grade in all classes and maintain satisfactory behavior throughout the school year. Any student earning a failing grade in any class must be at Sawgrass Adventist School during regular school hours for the duration of the trip.

## ***PARENT TEACHER CONFERENCE***

Parent/Teacher Conferences are scheduled at the end of the 1st, 2nd, and 3rd grading periods to discuss progress made by the student and receive grade reports. Conferences can be scheduled at other times of the year as needed; however, teachers are not available to meet with parents during instruction time.

## **GENERAL CITIZENSHIP STATEMENT**

Sawgrass Adventist School maintains the ideals of the Seventh-day Adventist Church in matters of morals, dress, and conduct. The teaching of these ideals is one of the reasons for the existence of Seventh-day Adventist Christian Education. The standards for conduct are intended to improve a student's standing in society, develop character, ennoble the mind, and increase happiness.

# ***CITIZENSHIP STANDARDS***

## ***GENERAL REGULATIONS***

ALL POSTED CLASSROOM RULES OF CONDUCT HAVE THE SAME LEVEL OF INTENSITY AS THOSE PUBLISHED IN THE SCHOOL HANDBOOK.

All regulations and principles of conduct remain in force throughout the year. Discipline, when needed, will be designed to direct the student toward a more meaningful acceptance of Christian rules of conduct. If a student's progress or conduct is unsatisfactory and out of harmony with the standards of the school, or if their influence is determined to be detrimental to themselves or others by the Administration or staff, the student can be suspended or expelled at any time.

## ***SCHOOL REGULATIONS***

The Sawgrass Adventist School Board recognizes both the necessity of proper rules and regulations and the necessity of enforcement of such rules and regulations. The School Board, therefore, requires that the faculty and staff fully implement and enforce all SAS rules and regulations.

While it is necessary for the school to enforce rules and regulations, the ideal is for students to learn self-control which is the best evidence of a developing character. As a person cultivates poise and refinement in their own life, crude, disorderly, and boisterous behavior and mannerisms are dispelled. We expect our students to display and our school to be a place of Christian culture and refinement.

The registration of a student constitutes an expressed agreement on the part of parents to uphold the principles upon which the school is founded.

# **GENERAL CONDUCT**

All standards of conduct are based upon accepted Christian and SDA denomination standards; respect for the right of others; state laws that apply; and, insurance regulations. It is the purpose of this school to instill in each student the desire for a high spiritual and moral life. *No corporal punishment will be permitted nor tolerated at any time on school premises. Nor will parents be allowed to reprimand or harshly address any student on our campus or school-sponsored trips.*

Teachers and parents must work together for the development of right character in their children, and to this end, the teacher will counsel with the parents concerning the conduct of unruly children. When proper student conduct is not demonstrated after counseling with parents and the student, suspension or expulsion may result.

There is a zero tolerance for bullying, profanity, indecent language, cheating, sexual immorality, sexual harassment, stealing, defiance to authority, unlawful or violent acts, willful destruction or defacing school property.

# ***DISCIPLINE***

The aim of any discipline is to help the student develop self-control and understand his/her responsibilities as a child of God.

Discipline will be maintained by individual classroom teachers. Each room will have rules appropriate to class age levels. Violation of these rules will be dealt with by the teacher. Repeated violations will result in student being sent to the Principal's office for further action

When a student is sent to the Principal's office it may be necessary that the student be sent home immediately and/or suspended. In keeping with Christian treatment of students, each offense will be dealt with according to the severity of the act. Praying and counseling with the student will be the first step in guiding them toward the wisdom of making better future choices.

If an issue of disrespect or disobedience occurs in a classroom and cannot be resolved, the student will be removed from his/her classroom and given time-out until the issue can be resolved. If after following due process, a student is found to be in repeated violation of school rules, refuses to go to another classroom, or continues to be disruptive, the student may be dismissed immediately by Administration. The parents will be called to remove the child from the SAS campus immediately. The student will be suspended for up to three days and will be allowed to return to class only with a written and verbal apology to the staff member(s) involved, fellow student offended, if applicable, and/or to the class if the offending event occurred in a class or during class activity.

If the student repeats the offense, s/he will be suspended pending a meeting of the School Board Discipline Committee to consider further action. This action may include a hearing before the Committee with the student and parents and/or the expulsion of the student.

A Discipline Committee exists to further assist the Administration in dealing with major problems that may arise. The Committee may authorize a longer period of suspension or recommend expulsion by the School Board.

Teachers and parents must work together for the development of right character for their children; and, to this end, the teacher will counsel with the parents concerning the conduct of unruly children. When proper conduct of the student is not achieved after counseling with the parents and the student, expulsion may result.

# ***DISCIPLINARY PROCEDURE***

The following procedures are available to the Administration and faculty to encourage compliance with school standards of behavior. The exact disciplinary procedure will be determined by the nature of the infraction.

- ✓ CAUTIONARY ADMONITION - verbal counsel to student by teacher about a discipline problem followed by prayer for restoration.
- ✓ NOTICE OF DISCIPLINE PROBLEM - a standard notice that indicates the student has not met a school standard is sent to the parents.
- ✓ REQUEST FOR IMMEDIATE PARENTAL CONFERENCE - parents will be contacted concerning problems with a student's deportment at school.
- ✓ PROBATION - a disciplinary status indicating the student has had a trend of discipline problems. Should this trend continue, the student may make himself ineligible to continue in school. While a student is on probation, s/he is ineligible to attend major off-campus school activities. If a class has class officers, s/he will be ineligible to hold said office.
- ✓ IN-SCHOOL SUSPENSION - Students are subject to in-school suspension for violations of the standard of conduct, and major discipline problems. A student undergoing in-school suspension must spend the school day in an isolation area. Schoolwork is assigned and the student cannot leave the area without permission from the teacher or adult supervisor.
- ✓ OUT-DOOR SUSPENSION - A student may be prohibited from attending Sawgrass Adventist School for a determined period of time due to unresolved discipline problems. The Administration will then determine the conditions under which a suspension will be lifted.
- ✓ EXPULSION - a student can be expelled for a major violation of the *standard of conduct* or when it is determined that the student's attendance is detrimental to the SAS student body or staff. If the student and his parents desire the student to continue at Sawgrass Adventist School, they may request to appear before the School Board Executive Committee to petition for reinstatement and indicate how the student plans his/her conduct to be different in the future in regard to the circumstances which led to his/her expulsion.

- ✓ If the issue remains unsolved, the parent/guardian may then contact the Department of Education of the Florida Conference of Seventh-day Adventists.

## ***SPECIAL NOTE TO PARENTS/GUARDIANS***

All students attending Sawgrass Adventist School must be living with their parents or legal guardian. The success of the school depends to a large extent upon the good faith and wholehearted cooperation of parents, students, and staff.

Assignments at Sawgrass are usually sufficient to provide the average student with enough homework to keep them occupied during the evening hours which should be devoted to study and family worship. Sawgrass Adventist School, therefore, requests the cooperation of each parent and guardian during the hours outside the school program in upholding and observing the principles and regulation of Sawgrass and encouraging top performance in all curricular and extra-curricular activities.

Punctuality and regularity in attendance are important and desirable qualities needed for life. Parents are required to familiarize themselves with the attendance policy of the school. Notice for tardiness, absence or early release due to scheduled appointments must given 24 hours in advance.

Students are also expected to follow the rules set forth in this Acceptable Use Policy.

## ***TELEPHONE USE***

The school telephone is not for student use. The only calls allowed will be of an emergency nature. Those will be made by a staff member or with their permission.

Parents must not call students during school hours. If there is an urgent matter, parents may leave a message with the Administrative Assistant or on the SAS answering machine. If a message is left on the answering machine, we will get back to you as soon as possible.

Parents may call teachers before or after school hours.

## ***CELL PHONES***

Student cell phones are not permitted on campus. Any cell phones confiscated from students will be turned in to the SAS Office. If a cell phone is confiscated from a student, parents will be required to pay a \$25 fee and pick up the cell phone in person. At the second offense, the cell phone will not be returned until the end of the school year.

## ***MEDICAL POLICIES***

Current physical examinations are required of all new students entering SAS as well as all fourth and seventh graders. Each student must have a Florida State Immunization form up to date and signed by a doctor. All students in grade 6 must undergo scoliosis screening.

An accident report will be completed by the supervising school personnel in the event of a serious injury. The original will be given to the parent for emergency room/insurance purposes. A copy will be kept in the student's file.

Parents must complete the Medication Authorization Agreement form and comply with its requirements appropriate to their child's needs. Parents/guardians who wish their child/ren to remain indoors or have limited activity during recess or Physical Education due to illness or temporary physical restrictions must send a signed doctor's note indicating reason and length of time the request is to be in effect.

## ***CLOSED CAMPUS***

Sawgrass Adventist School is operated as a closed campus. This means the student may not leave the campus for any reason without specific permission from the Principal. It also means visitors to the school must obtain permission and a Visitor's Pass at the school office to be in contact with students or teachers.

All students must be accounted for and are expected to be in their assigned classroom unless specifically excused by a staff member.

Parents/guardians are welcome to visit the school. However, it is necessary that arrangements be made with the Principal and teacher in whose room the visit is planned at least 24 hours prior to the time of the visit. Students not enrolled in SAS are not permitted to visit during school hours.

# ***ATTENDANCE REGULATIONS***

The school opens at 7:00 am for before-school care with classes beginning at 8:15 am each school day. Classes are dismissed Monday through Thursday at 3:30 pm and 1:00 pm on Friday. Students should not be on campus before 7 am.

The G.A.T.E.S. programs are available for the first hour immediately following classes dismissal each day. Any student not participating in the G.A.T.E.S. programs or on campus after G.A.T.E.S. has concluded will be placed in After-Care for a fee. After-Care concludes at 6:00 pm (5:00 pm on Fridays). Parents will be charged \$1 per child/ren for every minute the student remains in After-Care beyond the 5-minute grace period after the posted After-Care closing time.

Any individual(s) other than parents or guardians must have a photo ID and an Approved Release Form authorizing them to pick-up the child/ren. Parents must inform the SAS office of such individual beforehand by emailing administration at [sawgrass@flcoe.org](mailto:sawgrass@flcoe.org)

In the Sawgrass educational philosophy, class attendance is considered a vital part of the learning experience. - ✓ Personal Illness

If no excuse is received by the end of the second day, the absence or tardy will be recorded as unexcused. If your child is absent for three (3) or more days, a doctor's note must be provided upon their return. Failure to submit a doctor's note will result in the absences being recorded as unexcused. Unexcused absences may affect the student's grades, as make-up work will not be provided for unexcused days.

## ***Attendance Monitoring System***

School begins at 8:15am. Each student is expected to be on time for school and classes. If a student arrives at school after 8:20am, s/he will be marked tardy. Parents are required to send a note with the student explaining the reason for their child's tardiness.

Any student who receives 15 attendance points per grading period will have to appear with parent(s) for a special conference and subsequent assignment.

✓ **Unexcused Tardy to school and class = 1 attendance point**

✓ **Unexcused absence = 3 attendance points** Penalties, per grading period will be as follows:
